Full Coalition Meeting: Primary goal of this meeting should be to stimulate interest and increase membership. Agenda will include reviewing accomplishments so far. Jim will check on availability of FMH classrooms.

Executive Committee : Discussed and agreed that the Public Health Department should have a representative on the Exec committee, can consider changing bylaws if necessary.

Committee Reports

Advocacy committee: Pat Hanberry reports they will be having two meetings this month one will run concurrently with the Affordability committee meeting so that they can review the upcoming event planning and solicit help. The event planned for March is to help train appropriate people in what services are available (and perhaps under utilized) for un/under insured clients.

Access Committee: Elizabeth Chung introduced herself, plans to help get the affordability committee going. Shared her thoughts about

trying to combine efforts with other ongoing public service programs (ie: Hispanic health fair, ESL classes Flu clinics. CNA classes).

Marketing/Communications: Dave Liddle reported that the Leaders on Loan want to meet with committee chairs to review overall goals and plans.
